

Sea Turtle Sing-Along

T-U-R-T-L-E-S
That's the word for you and me
We'll do all we can for
T-U-R-T-L-E-S

The turtles lay eggs on the beaches
The people destroy them you see,
Soon there'll be no more turtles,
To see by you and me

Sung to 'My Bonnie lies over the Ocean'

Sea Turtle, Sea Turtle
The beach was you home before we came here
Sea Turtle, Sea Turtle
We will protect it for you
